About This Game

Play Astroflux - a retro styled, action packed MMO space shooter.

You start the game with a puny "pew-pew"-ship and start your journey to explore the huge Astroflux Universe. Team up with other players and take down the aggressive bosses and hordes of enemies while you search for new materials and scraps to upgrade your ship.

Astroflux sports cozy arcade graphics paired with modern awesome particle effects. And, the soundtrack is great!

Enjoy and fly safe!

Specialties:

Special Weapon:

The Skeletor Lightning deals a tingeling "that was not so bad" impact damage. But, the real deal is the debuff dot damage that drains the targets life the seconds after impact.
